

Can two walk together, except they be agreed? Amos 3:3

The following are our Statements of Faith, Pro-Life Principles, Birth Control and Confidentiality. Please initial each statement **with which you agree**. If you have any questions or concerns about any of the Statements, please do not hesitate to call and they can be discussed.

Statement of Faith

I believe that the Bible is the inspired, infallible and authoritative Word of God. I believe that Jesus Christ is God's one and only Son. I believe that His death on the cross brought forgiveness of sins and makes eternal life possible. I believe He rose from the dead and that the power of the Holy Spirit lives in me, enabling me to live a life pleasing to God based on my commitment to Him.

Statement of Pro-Life Principles

I am opposed to abortion under all circumstances. Since in my role as a volunteer I cannot know if a mother's life is in medical danger, I would never advise or refer a client for an abortion.

Statement of Birth Control Policy

Another Way Pregnancy Center desires to help clients understand the risks of a sexually active lifestyle between unmarried individuals. Therefore, I will not endorse any form of birth control for single clients. Rather, I will seek to educate them about chastity, abstinence and secondary virginity.

For our married clients, I will not endorse oral contraceptives, the intrauterine device, Norplant, Depo-Provera or RU 486 because they can sometimes act as abortifacients. Questions regarding other methods of birth control will not be the focus of counseling. I will not engage in discussion of other methods of birth control but will encourage married clients to make decisions based on their faith perspective and input from their own physicians.

Initial _____

Statement of Confidentiality

I realize that all information about our clients must be kept in strict confidence within the office AND outside of the office in order to protect a client's right to privacy.
